PROFESSIONAL SUMMARY

Motivated B.Tech Computer Science student at DIT University with strong foundations in Data Structures, Algorithms, OOP, DBMS, Operating Systems, and Web Development. Proficient in Java, C, JavaScript, HTML, and CSS with hands-on project experience in building responsive applications. Solved 250+ coding problems on LeetCode and eager to contribute analytical, coding, and problem-solving skills in an entry-level software engineering role.

EDUCATION

DIT University, Dehradun
Bachelor of Technology in Computer Science and Engineering
Aug 2023 – May 2027 | CGPA: 8.35/10

Sainik School Ghorakhal, Nainital, Uttarakhand
Class XII | 2022 | 76.6%

Sainik School Ghorakhal, Nainital, Uttarakhand
Class X | 2020 | 89.6%

TECHNICAL SKILLS

Languages: Java, C, JavaScript, SQL, HTML, CSS

Core CS: DSA, OOP, DBMS, OS

Tools: GitHub, VS Code

Platforms: LeetCode

PROJECTS

Advanced Task Manager | Web Development Project

Tech Stack: HTML, CSS, JavaScript, GitHub Pages

[Live Demo](#)

- Developed a responsive task management web application to create, update, delete, and organize tasks efficiently.
- Implemented CRUD operations with due dates, priority levels, category-based filtering, and keyword search functionality.
- Designed dark/light mode theme switching and responsive UI for improved user experience across devices.
- Used browser Local Storage for persistent client-side data management.
- Deployed the project publicly using GitHub Pages and maintained version control through GitHub.

ACHIEVEMENTS & CERTIFICATIONS

- Solved 250+ coding problems on LeetCode, focusing on Data Structures and Algorithms.
 - Completed Linux Fundamentals certification covering CLI commands, file permissions, and system administration basics.
 - Completed Database Management Systems certification with knowledge of relational databases and SQL concepts.
 - Maintained consistent academic performance with CGPA of 8.35/10.
-

ADDITIONAL INFORMATION

- Quick learner with strong interest in software development and problem-solving.
- Comfortable working in team environments and adapting to new technologies.
- Regularly practice coding and aptitude for placement preparation.
- Ready to contribute in dynamic team environments.
